## NEWS

Artistree has opened its doors in Amsterdam.

Inspired by the city's 750th anniversary, we are launching our European presence in this amazingly creative city.

Artistree will be joining some of the many events along the year-long celebrations and bringing you the cultural and creative highlights.

## ART NEWS

In a recent crackdown, police raided a forgers workshop in Rome, uncovering dozens of counterfeit artworks, including fake pieces attributed to Picasso and Rembrandt.

The operation revealed hundreds of paint tubes, brushes, and easels, along with forged gallery stamps and artist signatures, highlighting the ongoing battle against art forgery.

## TRENDS

In 2025, art trends are set to embrace oversized abstracts, featuring vibrant brushstrokes and bold geometric shapes. These striking pieces will dominate interiors, serving as confident focal points that add energy and personality to any space. Embrace the boldness of these dynamic artworks to elevate your surroundings!
